Enregistré «LIVE» au  
 13<sup>ème</sup> FESTIVAL INTERNATIONAL  
 DE MUSIQUE ACTUELLE DE VICTORIAVILLE  
 le 17 mai 1996 par:

**SRC**  Radio  
 Réseau FM Stéréo  
 pour l'émission  
 LE NAVIRE NIGHT.

A very warm concert awaited us in V-ville that eve. An encounter full of musical wonder, excitement, experimentation, the feeling that something special had taken place. And Schiano's saxophone, at once brimming with joy and tinged with melancholy – who knows that emotion more intimately than the passionate at heart? To be both charming and challenging, social and solitary: a tall order for most, but no problem for the Maestro and his gang.

-John Corbett, Chicago, September 1996
